

# NAKATA®

## Warranty Terms and Conditions

Every reasonable endeavour is made to ensure that the goods sold by Juratek Ltd. are of sound materials and workmanship. Any part found to have a manufacturing defect within the period stated below will be reimbursed or replaced at the company's expense, provided that the part is returned to Juratek for examination and that this examination does not, in our opinion, show that the fault was caused by:

- Incorrect or defective storage;
- Incorrect or defective fitting, installation, or use;
- Normal wear and tear;
- Unauthorised repair;
- Accident, neglect, or any other cause beyond the control of Juratek Ltd.

No responsibility is taken for consequential loss or damage caused by the above. Any such reimbursement or replacement shall be limited to the damage of loss, for which the company shall be liable.

Nakata steering and suspension products are designed and produced as direct replacements to the vehicle's OEM specification and as such, the warranty does not cover any modification to vehicle:

- Steering and/or suspension systems
- Wheels and/or tyres

This includes alterations to vehicle ride height and stiffened aftermarket components.

### Stated Period

<b>Wheel Bearings</b>	36 months or 36,000 miles / 58,000km
<b>Steering and Suspension</b>	36 months or 36,000 miles / 58,000km
